Spiritual Care & Bereavement Program

How We Can Help You

Some ways that our Spiritual Care Coordinators and Chaplains offer support:

1. Be There For You:

- Be A Friend.
- Visit you, even if it means sitting in silence
- Allow our presence to provide comfort if you are feeling alone.

2. Address Spiritual Issues:

Our spiritual care professionals are trained to support people with diverse spiritual needs so they can serve as a liaison between you and your family own faith group.

3. Active Listening:

We are very attentive as you or your loved ones talk about spiritual matters. This allow us to keep an open mind proving the opportunity to ask supportive questions with compassionate understanding.

4. Help To Find Meaning:

Our personalize patient care provides you with the help to understand meaning and purpose amongst life changes and declining health.
